Yas Mostashari Chang

Dipl. Eng. Arch SBU, MArch AA, MSc

Yas Mostashari is currently leading the Asia New Business team based in Hong Kong. She has an MArch from the Architectural Association School of Architecture in London and a MSc Honours Degree in Architecture and Urban Design from the Shahid Beheshti University in Tehran.

Her worldwide expertise in hotel and residential projects include The Knightsbridge Apartments and Chancery Hotel and Spa in London and the Imperial Hotel in Tokyo. She was the Project Architect for the Sherlock Holmes Hotel project in London.

Her involvement with international hotel developments of both small and large scale projects has given her a unique insight into the design process enriching her role.

She splits her time between London and Hong Kong.
